

Fountainbridge / Craiglockhart Green Group Open Meeting

# Guided walk in Craiglockhart Woods

Craiglockhart Woods were designated a Local Nature Reserve in 2005, and incorporate a wide range of habitats including grassland, marsh and a pond. As well as seeing the woods in their spring-time best, there will also be a chance to learn about local history.

The Craiglockhart Nature Trail is suitable for people of all ages, but very small children are better in a sling or backpack, and if it has been raining beforehand light boots are best. There is a total of 500 feet of climbing on well-maintained paths.

Please feel free to bring along family and like-minded friends but let us know in advance so we can keep an eye on numbers.

With guide:

**Colin Chess,**

Secretary, Craiglockhart Nature Trail

**Saturday 24 May 2008, 10:30am - noon**

Weather permitting, we will have a picnic to follow.

Meet: Lockharton Crescent steps, off Colinton Road

(Close to bus routes 4, 10, 17, 23, 27, 41; bike racks at Tennis Centre)

**Fountainbridge / Craiglockhart Green Group** is made up of people with an interest in green and community issues. It covers the council ward of Fountainbridge / Craiglockhart which includes communities in Fountainbridge, Viewforth, Polwarth, Shandon, Slateford, Hutchison, Chesser and Craiglockhart. Meetings are open to all.
