

THINK GLOBAL, ACT LOCAL

A Green Vision for West Lothian

West Lothian Greens
Local Election Manifesto 2022

We want to elect Green Councillors in May 2022.

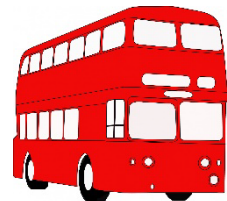

- To Stop Climate Change,

- To Make West Lothian more equal and accessible,

- And get better buses.

Our Priorities for West Lothian.

- We want to help stop flooding and water pollution by using nature as a defence.

- We want people's lives to get better in West Lothian. We will support communities to be stronger and happier.

- We want to end climate change and make sure the council work to do their part.

- We want to make sure our transport is better for the climate, makes us healthier, and is safe for everyone to use

- We will make sure that people have a say over what happens to them and their neighbourhoods.
